LeetCode: </> Shivamyadav33

Education

Babu Banarasi Das University

B.Tech in Computer Science and Engineering

August 2023 – May 2027

CGPA: 8.5/10

Paradise Public School, Mainpuri, UP

Intermediate CBSE (Science)

Percentage: 80.6%

Experience

IT Intern

July 2026 – Present

Uttar Pradesh Metro Rail Corporation (UPMRC), Lucknow

On-site

- Provided technical support by troubleshooting hardware, software, and network-related issues across office systems.
- Assisted in the installation, configuration, and maintenance of computer systems, printers, and software applications.
- Monitored IT infrastructure, performed routine system maintenance, and ensured smooth day-to-day operations.
- Collaborated with the IT team to maintain asset records, resolve user-reported issues, and support organizational IT requirements.

Projects

Airbnb Website | *MERN Stack, MongoDB, Express.js, React.js, Node.js*

- Developed a full-stack accommodation booking platform with secure user authentication, property listing, booking, and review management.
- Implemented RESTful APIs, CRUD operations, image uploads, and role-based access control for users and hosts.
- Designed a responsive user interface using React.js and Bootstrap, ensuring an optimized user experience across devices.

SkyBooker – Flight Booking System | *React.js, Spring Boot, MySQL*

- Developed a responsive flight booking application with flight search, seat selection, booking management, and secure user authentication.
- Integrated RESTful APIs with Spring Boot and MySQL for real-time flight availability, reservation management, and seamless frontend-backend communication.
- Built reusable React components, implemented client-side routing, and optimized application performance for a smooth user experience.

Technical Skills

Programming Languages: JavaScript, Java, C++, C, Python

Frontend Technologies: React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Material UI, Vite, Webpack

Testing & Debugging: Jest, React Testing Library, Unit Testing, Browser DevTools, ESLint, Prettier

Tools & Frameworks: Git, GitHub, VS Code, Postman, npm, Jira, Trello, Figma

Backend & Databases: Java, Spring Boot, Flask, MySQL, MongoDB

Relevant Coursework

- | | | | |
|-----------------|-------------------|---------------------|---------------------|
| • MERN | • Data Structures | • SQL | • OOP Concepts |
| • Generative AI | • DBMS | • Operating Systems | • Computer Networks |

Certifications

- Generative AI Hackathon (IIT Kanpur), Core & Advanced Java (Udemy), Full-Stack Web Development (Apna College), Data Structures & Algorithms (Apna College)

Achievements

- Published DSA content on LinkedIn achieving **290K+ impressions**; Binary Tree (**1,734+ likes, 160K+ impressions**), Graphs (**934+ likes, 130K+ impressions**), and completed the **Generative AI Hackathon** at IIT Kanpur.
